 Podsypka: 10cm.
 Obsypka: 30cm ponad stropem ru

[illegible]

Technical drawing of a sewerage line project. The drawing shows a plan view of the sewerage line with manholes D13, D26, and D27. The line is labeled "Projektowany odcinek kanalizacji". The drawing includes a cross-section view of the sewerage line, showing the existing channel (Istniejący kanał) and the proposed channel (Projektowany kanał). The existing channel is labeled "Istniejący kanał Ø110 L=18.0m". The proposed channel is labeled "Ø125 PE100 SDR11 PN16 L=12.0m". The drawing also shows the ground level (n.p.m.) and the sewerage line elevation (Rz.d.). The drawing includes a scale bar and a north arrow.
